

## **SELF INTRODUCTION**

### **Do you work, or are you a student?**

Right now, I'm working as a DevOps Engineer at Koch Business Solutions.

### **Why did you choose this job?**

I picked this job because I really love what DevOps is all about. It's a mix of software development and operations, and that's something I'm super passionate about.

### **What do you like most about your job?**

The best part of my job is working together with different teams. We all collaborate to get things done smoothly. Plus, I really enjoy writing scripts; it's like solving puzzles, and it makes the work interesting and fun.

## **HOUSE / HOMETOWN**

### **Where do you live home or apartment?**

I currently reside in a charming house located in Hassan, a city situated approximately 180 kilometers away from the bustling metropolis of Bangalore. Hassan, known for its rich cultural heritage and picturesque landscapes, provides an ideal setting for a peaceful and fulfilling living experience.

### **How big is your house/apartment?**

I currently reside in a house with 2 living rooms, 3 bedrooms, 3 bathrooms, 2 balconies, a garden, and ample parking space.

### **What's your favorite room in your house?**

I like the living room the most because it's the space where all the family members gather to watch TV. It's the time we catch up with each other, and it's also where I have my gaming setup. I spend a lot of time there.

### **Do you think you'll move to different home in future?**

Yes, I would like to move to my own apartment or independent home. I am working towards my dream, which is to own a house of my own.

### **Lets talk about your hometown or village. What type of place is it ?**

My hometown is Hassan, which is in the southern state of Karnataka, India. Hassan is a captivating blend of tradition and modernity. It's a culturally rich city known for its historical monuments, lush green landscapes, and a strong sense of community.

### **What is interesting about your hometown?**

Hassan is renowned for its exquisite Hoysala temples, such as the Chennakesava Temple in Belur and the Hoysaleswara Temple in Halebidu, showcasing intricate architecture and cultural heritage. What makes Hassan truly interesting is its serene landscapes, adorned with lush greenery and tranquil lakes, providing a scenic

backdrop to the city. This unique combination of historical significance and natural allure makes Hassan a place of enduring fascination for both residents and visitors alike.

### **What kind of shops and business can you find in your hometown?**

In my hometown of Hassan, Karnataka, you'll discover a mix of traditional and modern shops. From bustling local markets with fresh produce and handmade crafts to modern stores offering clothing, electronics, and household items, there's a variety to cater to everyone's needs. You can also find charming eateries serving local delicacies, contributing to the town's diverse and lively atmosphere.

### **Do you think it's a good place to live?**

Hassan offers a unique blend of historical charm, natural beauty, and a diverse range of businesses. The town's rich cultural heritage and the peaceful atmosphere created by its landscapes make it an appealing place to live. However, the suitability of a place to live depends on individual preferences and priorities.

## **ANIMALS/PETS**

### **Do you have any pets?**

No, not at the moment. I've had pets before, like dogs and cats, and I absolutely love the companionship they bring. But right now, my schedule is a bit hectic, so I haven't ventured into pet ownership.

### **What's your favorite kind of animal and why?**

I love dogs. They're just so loyal and understanding. I had a Golden Retriever once, and the bond we shared was incredible. Plus, the different breeds with their unique personalities make them fascinating creatures.

### **Do you like visiting the zoo?**

Honestly, not really. I find zoos a bit sad sometimes. Animals are meant to roam freely, you know? I prefer going to national parks where you can see them in their natural habitat. It feels more authentic and, I don't know, respectful to the animals.

### **What wildlife is possible to see in your local area?**

Well, I live in the heart of the city, so wildlife sightings are pretty rare around here. You might catch a glimpse of some birds like pigeons or sparrows, but for a real wildlife experience, I usually head out to nearby national parks or reserves. That's where you can see nature in all its glory.

## **TECHNOLOGY**

### **How much time do you spend using technological devices?**

I'd say I spend about half of my day using technological devices. Whether it's for work, staying connected with friends and family, or just entertainment, technology has become an integral part of my daily routine.

### **How important is a smartphone to you?**

My smartphone is incredibly important to me. It's not just a communication tool but also serves as a hub for various aspects of my life. From staying in touch with loved ones to making cashless payments and accessing various apps, my smartphone is essentially a central part of my daily functioning.

### **What other devices do you use at home?**

At home, I use a variety of devices. There's the TV for entertainment, a laptop for work and personal use, and an Alexa device for smart home functionalities. Each device plays a specific role in making daily tasks more convenient and enjoyable.

### **What's the most popular technology in your country?**

In my country, the most popular technology currently is Artificial Intelligence (AI) and Machine Learning (ML). These technologies have rapidly evolved and are being applied in various sectors, from healthcare to finance, transforming the way we live and work. They are seen as innovative solutions with immense potential for the future.

## **CLOTHES**

### **What kind of clothes do you like to wear and why?**

The type of clothes I prefer largely depends on the occasion and the setting. For more formal events or professional situations, I lean towards formal wear, such as shirts and trousers. On the other hand, for casual outings or relaxed settings, I prefer comfortable casual wear. The choice allows me to feel appropriately dressed for the context.

### **Do you ever buy second-hand clothes?**

Not really, I'm not a fan of second-hand clothes. I prefer new clothing items as they give me a sense of freshness and personal ownership. I appreciate the idea of having something brand new and untouched.

### **What is your favorite piece of clothing?**

I would say my favorite piece of clothing is jackets. They are versatile and can add a stylish touch to various outfits. Plus, they are practical in different weather conditions, making them a staple in my wardrobe.

### **Would you ever make your own clothes?**

No, I don't think I would make my own clothes. While I admire the creativity and skill involved in making garments, it's not a pursuit I find myself inclined towards. I usually prefer the convenience of purchasing ready-made clothing.

## **SHOPPING**

**Do you like shopping?**

Yes, I do enjoy shopping. It's a way for me to unwind and also acquire things that I need or desire.

**Who do you like to go shopping with?**

I prefer going shopping with my mom. It's not just about the companionship, but she also has a great sense of style and helps me make better choices.

**What do you buy online?**

I usually buy electronic items and daily necessities online. It's convenient and offers a wide range of options without the need to physically visit multiple stores.

**Do you like to shop around to get a good price for something?**

Not really. I tend to look at 1 or 2 places when I shop. While getting a good price is important, I value my time and prefer a straightforward shopping experience rather than spending too much time comparing prices at multiple locations.

**HOLIDAYS****What do you like doing on a holiday?**

On holidays, I particularly enjoy exploring new places. It could be a new city, a scenic spot, or a historical site—I find joy in discovering different places of the world.

**Where is the best place to go in your country?**

In my country, there are numerous wonderful places to visit. From beautiful beaches and serene hill stations to ancient historical sites, the options are diverse, offering something for every traveler's preference.

**Would you like to go on a holiday with your friends?**

Absolutely, I love going on holidays with my friends. It adds an extra layer of enjoyment to the experience, creating lasting memories and shared adventures.

**Is there anywhere abroad you've always wanted to go on holiday?**

Yes, I've always wanted to visit Dubai, and I was fortunate enough to go there last month. It was an amazing experience, exploring the vibrant city, its modern architecture, and rich cultural offerings.

**PLACES**

**Do you like where you live now?**

Yeah, i really like it. The neighborhood is chill, and the people are friendly. It just feels good living here.

**What places do you go to relax?**

Whenever i want to chill, i go to this nearby lake. I just sit there, listen to my favorite songs, and let the calmness sink in. It's a nice way for me to unwind.

**Where is your favorite place in your country?**

I love Gokarna. It's got these awesome beaches. I like going there because it's so peaceful, with the sound of waves and all. It's my go-to spot for a relaxed time.

**What kind of places do you visit with your family/friends?**

With friends, we usually go on fun trips like trekking or exploring nature spots. It's always an adventure. With family, we like checking out temples and hitting the beaches. It's a mix of cultural stuff and just enjoying the scenery together.
